

Mr. Saturn

Materials:

- Hook – read gauge note!
- Caron Wintuk Yarn – Fisherman color (or any worsted weight cream yarn)
- Two 9 mm snap-on safety eyes
- Black pipe cleaner (or white colored black with a sharpie)
- Small amount of black and red felt / needle and thread
- Stuffing

Gauge:

Not important. I used an H hook, but I crochet super tight, so I'd suggest a G or probably F hook. It doesn't matter how big he turns out, but 9 mm eyes could be too small if you make him big!
